HIPAA EXPRESS® Package Features

HIPAA SUITE® LICENSE

Carosh's exclusive cloud based software is designed to help practices easily implement and manage their HIPAA privacy and security program.

PRIVACY RISK ASSESSMENT

The Carosh Privacy Risk Assessment focuses on the Privacy Rule requirements contained in 45 CFR Part 160 and Part 164 Subparts A and E.

CUSTOM POLICIES & PROCEDURES

Carosh will review existing policies and procedures to assess appropriateness in addressing risk and security threats.

SECURITY RISK ASSESSMENT

Carosh's Security Risk Assessment focuses on 45 CFR 164 308(a)(1) with an in-depth analysis of the three key areas of Administrative, Physical & Technical safeguards.

REMIEDIATION PLANS

Carosh focuses on implementing the requirement for a management process "to be put in place" to correct security and privacy deficiencies, and to track progress towards that goal.

BUSINESS ASSOCIATE MANAGEMENT

Carosh will review all entries working with you to determine which ones are Business Associates and therefore require updated Business Associate Agreements.
